MarkeTel Multi-Line Dialing Systems Ltd.
428 Victoria Ave
Regina Sk S4N-OP6

Dear Mr. McAllister:

As we embark upon our third year using the MarkeTel Multi Line Dialing System I am still amazed at the simplicity of the system. I have worked on numerous dialing systems and this one is by far the simplest and most efficient to operate. On past systems I spent many hours of downtime performing system maintenance. Since using the MarkeTel system I have acquired a life outside of the office. Thank you, MarkeTel.

Sincerely,

Melissa Corwin
