Marketel
428 Victoria Ave
Regina, SK CANADA S4NOP6

Dear Sirs:

We are very pleased to have found both a dialer and a supplier who are both user friendly. It brings us great pleasure to commend you on your success.

Your success has added to ours over the years. More important, you have made the transition to the "Do Not Call" compliance a painless one. We have used Marketel for over six years and the customer support is exceptional.

Sincerely,

Mark Williams
Owner
