To Whom It May Concern,

This letter is to commend the quality service Marketel has provided to Alert Home Security since 1999. It has increased the productivity of our telemarketing department significantly; and therefore our sales have increased. In addition, the telemarketing process has become much easier and more efficient. Alert Home Security would confidently recommend the service provided by Marketel to any organization with similar processes and goals.

Thank you very much.

Regards,

A handwritten signature in black ink that reads "Gregory Lent". The signature is fluid and cursive, with a long horizontal stroke extending to the right.
