Re: Letter of Recommendation

Attn. To whom it may concern:

I just wanted to comment on Market-tel as a company & also Karena Chow who is the office manager.

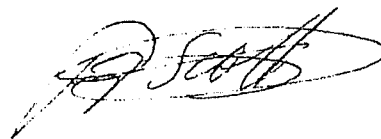

I have been dealing with Market-tel for the last 3 years or so & I just wanted to mention that you are the most organized company I have ever delt with. Anytime I had issues or problems Shazad & other technical personnel were there to assist me. The dialer I bought continues to work flawlessly & is a direct ingredient to my business & success.

Also, Karena is an excellent employee in my opinion based on her superb communication skills & ability to work with. Furthermore, I feel she is a tremendous asset to the company.

I have paid my dialer off in full with the great low payments that market-tel had given me & am ready to purchase another in the very near future.

Should you need to speak with me, feel free to contact me directly @ 954-533-2601

Sincerely,

Phillip Scott
